CHARACTER PORTRAIT

PERSONALITY TRAITS

An addictive personality, Kallista blew a personal fortune drinking dragon's blood before her sister intervened and broke her of the addiction. Unknown to her sister, her former supplier was her current companion Festivus. Unfortunately she now appears to have shifted her focus to copious quantities of ale.

MANNERISMS AND APPEARANCE

Though possibly artificial, Kallista has an unusual hair color for tieflings: a striking blonde. Her companions fear she suffers from narcolepsy, nodding off at inappropriate times, though her sister Karrion insists it's just an excessive fondness for ale by the bucketful.

CHARACTER BACKGROUND

I'm either someone you never see, or I'm the last someone you see.

You add Stealth and Perception to your class skill list, and you gain a +1 bonus to Stealth and Perception checks.

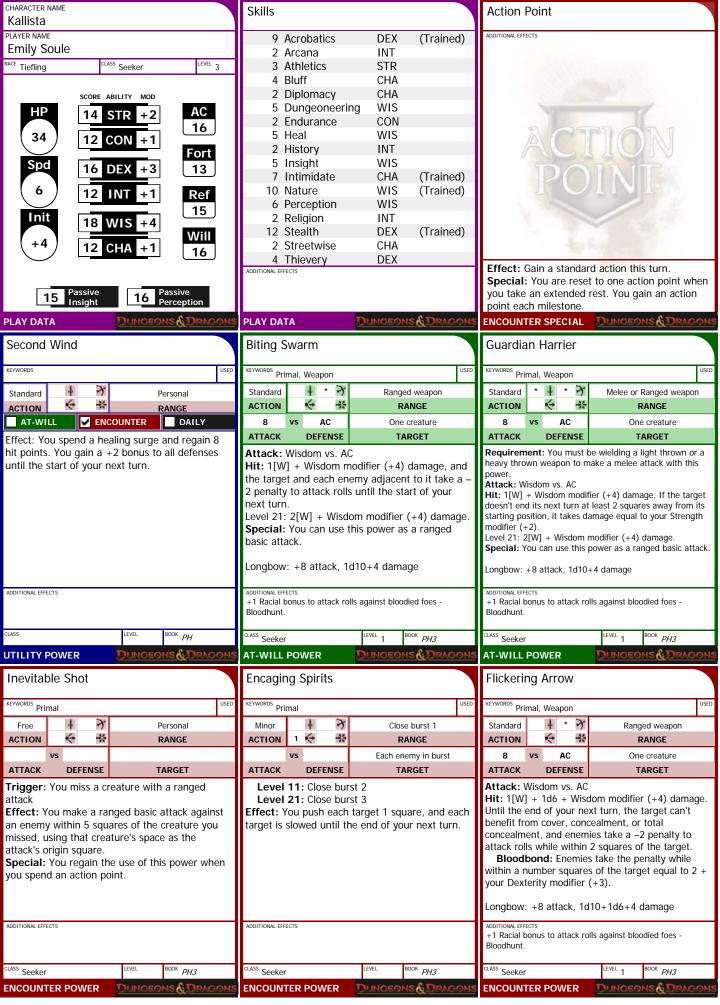

COMPANIONS AND ALLIES

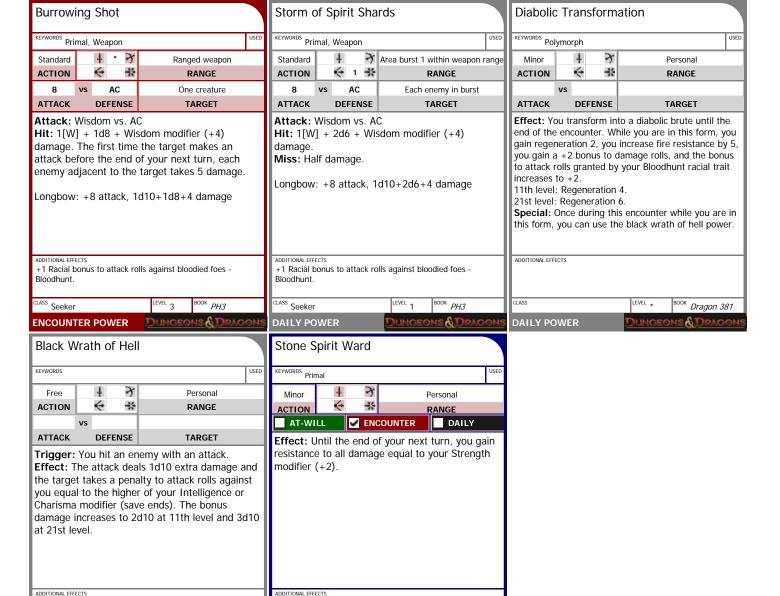

Dusk Wardens: Karrion (her twin sister, and her companion cat Kaos), Petra, Richard D'Eversholt, Festivus, and Melvin

SESSION AND CAMPAIGN NOTES

Ran the Brindol midsummer festival cross-city footrace with fellow Dusk Wardens against the elven woodsman Dorion Light-foot, town guard Garth Cooper, half-ore barbarian Two-Teeth, gnomish trickster Gazunda, and human entertainer Tom Burgher. Despite a tumble from the old city wall and a mouthfull of befouled river water, Kallista helped Melvin take first place in the race.
